The New Jersey State Board of Dentistry received the November 15, 2014 request of Lawrence Gardner, D.D.S. ("Dr. Gardner" or "respondent"), seeking to remove restrictions imposed by the Consent Order entered into on February 22, 2012.

In support of Dr. Gardner's application to remove restrictions, he provided reports by Dr. Baxter dated November 10, 2014 stating that Dr. Gardner is "well over three (3) years in ongoing, documented recovery." The Board determined that respondent demonstrated that he has successfully completed the requirements of the Consent Order. Based upon that demonstration,

the Board has determined that removal of restrictions on respondent's license is consistent with the public health, safety and welfare.

IT IS, THEREFORE, ON THIS 18th DAY OF December, 2014,

ORDERED that the restrictions previously placed on the license of Lawrence Gardner, D.D.S., are removed.
